### HTC ANNOUNCES REPRICING OF PRIVATE PLACEMENT

**Regina, Saskatchewan - *HTC Extraction Systems*** (also the "**Company**" and/or "**HTC**") (**HTC: TSX-V**) announces that it has repriced its "bought deal" brokered private placement initially announced on July 3, 2019 and amended on September 27, 2019 (the "**Offering**"). The private placement is being re-priced to more accurately reflect the current market price of the Company's common shares (the "**Common Shares**").

Under the terms of the Offering, Canaccord Genuity Corp. will act as sole bookrunner and lead underwriter on behalf of a syndicate of underwriters (collectively, the "**Underwriters**"), and purchase, on a "bought deal" private placement basis, 25,000,000 units of the Company (the "**Units**") at a price of C\$0.40 per Unit (the "**Offering Price**") for aggregate gross proceeds of C\$10,000,000.

Each Unit will consist of one Common Share in the capital of the Company and one-half of one common share purchase warrant (each whole common share purchase warrant, a "**Warrant**"). Each Warrant will be exercisable to acquire one Common Share (a "**Warrant Share**") at an exercise price of C\$0.70 per Warrant Share for a period of 36 months from the closing of the Offering.

All securities issued or issuable under the Offering will be subject to a statutory hold period lasting four months and one day following the closing of the Offering.

The repriced Offering is subject to certain conditions including, but not limited to, the receipt of all necessary regulatory approvals, including the conditional approval of the TSX Venture Exchange. The Offering is expected to close on or about October 22, 2019.
